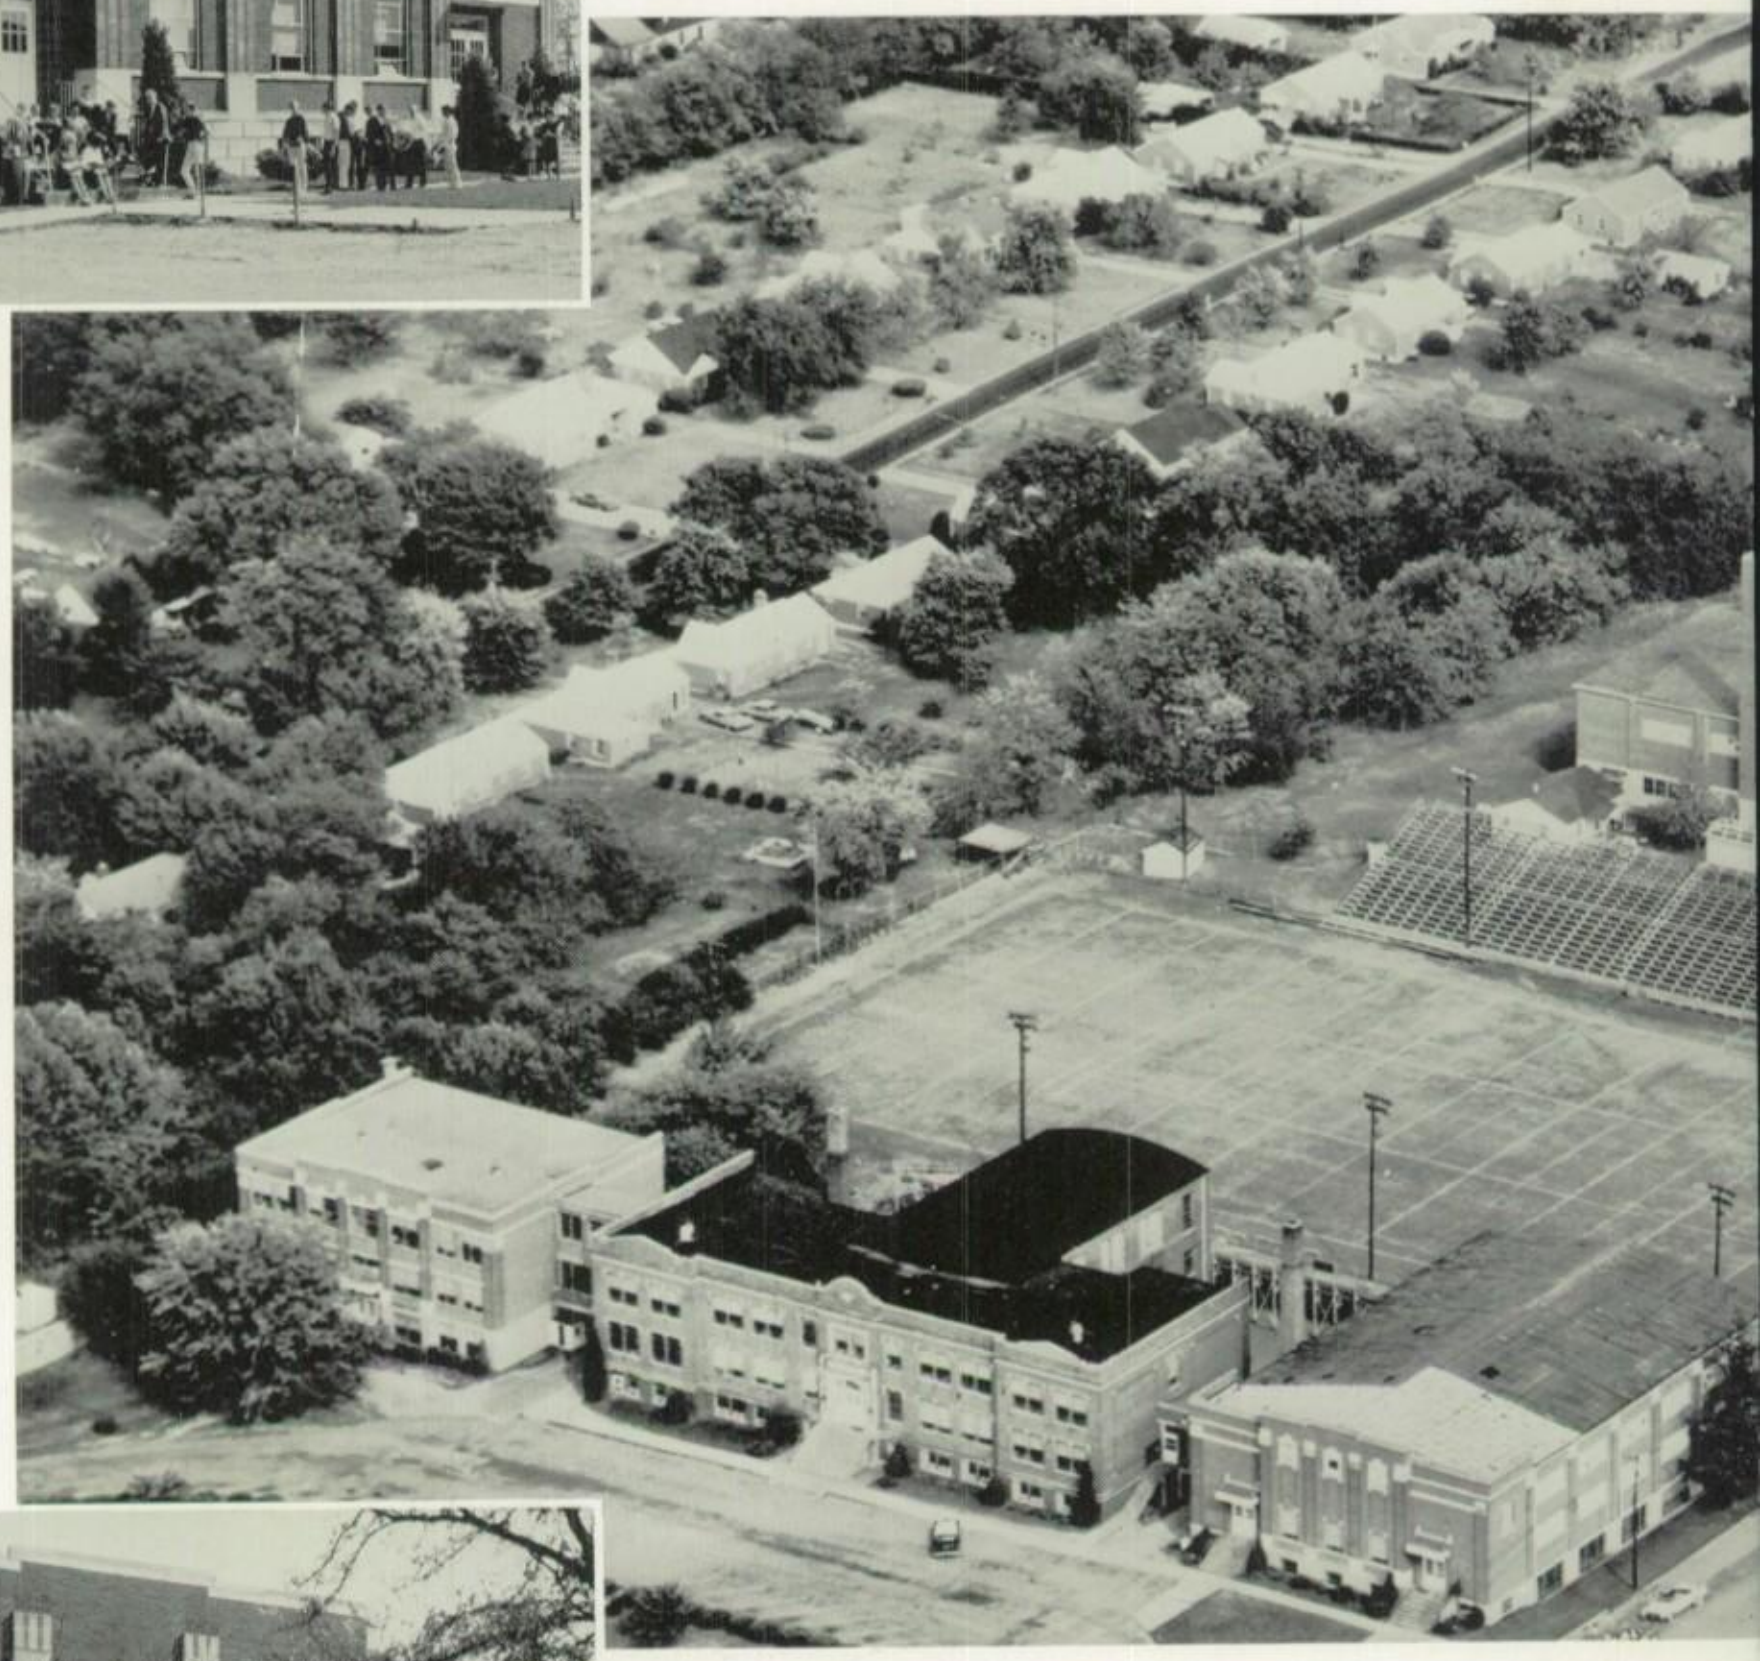
CAMPUS

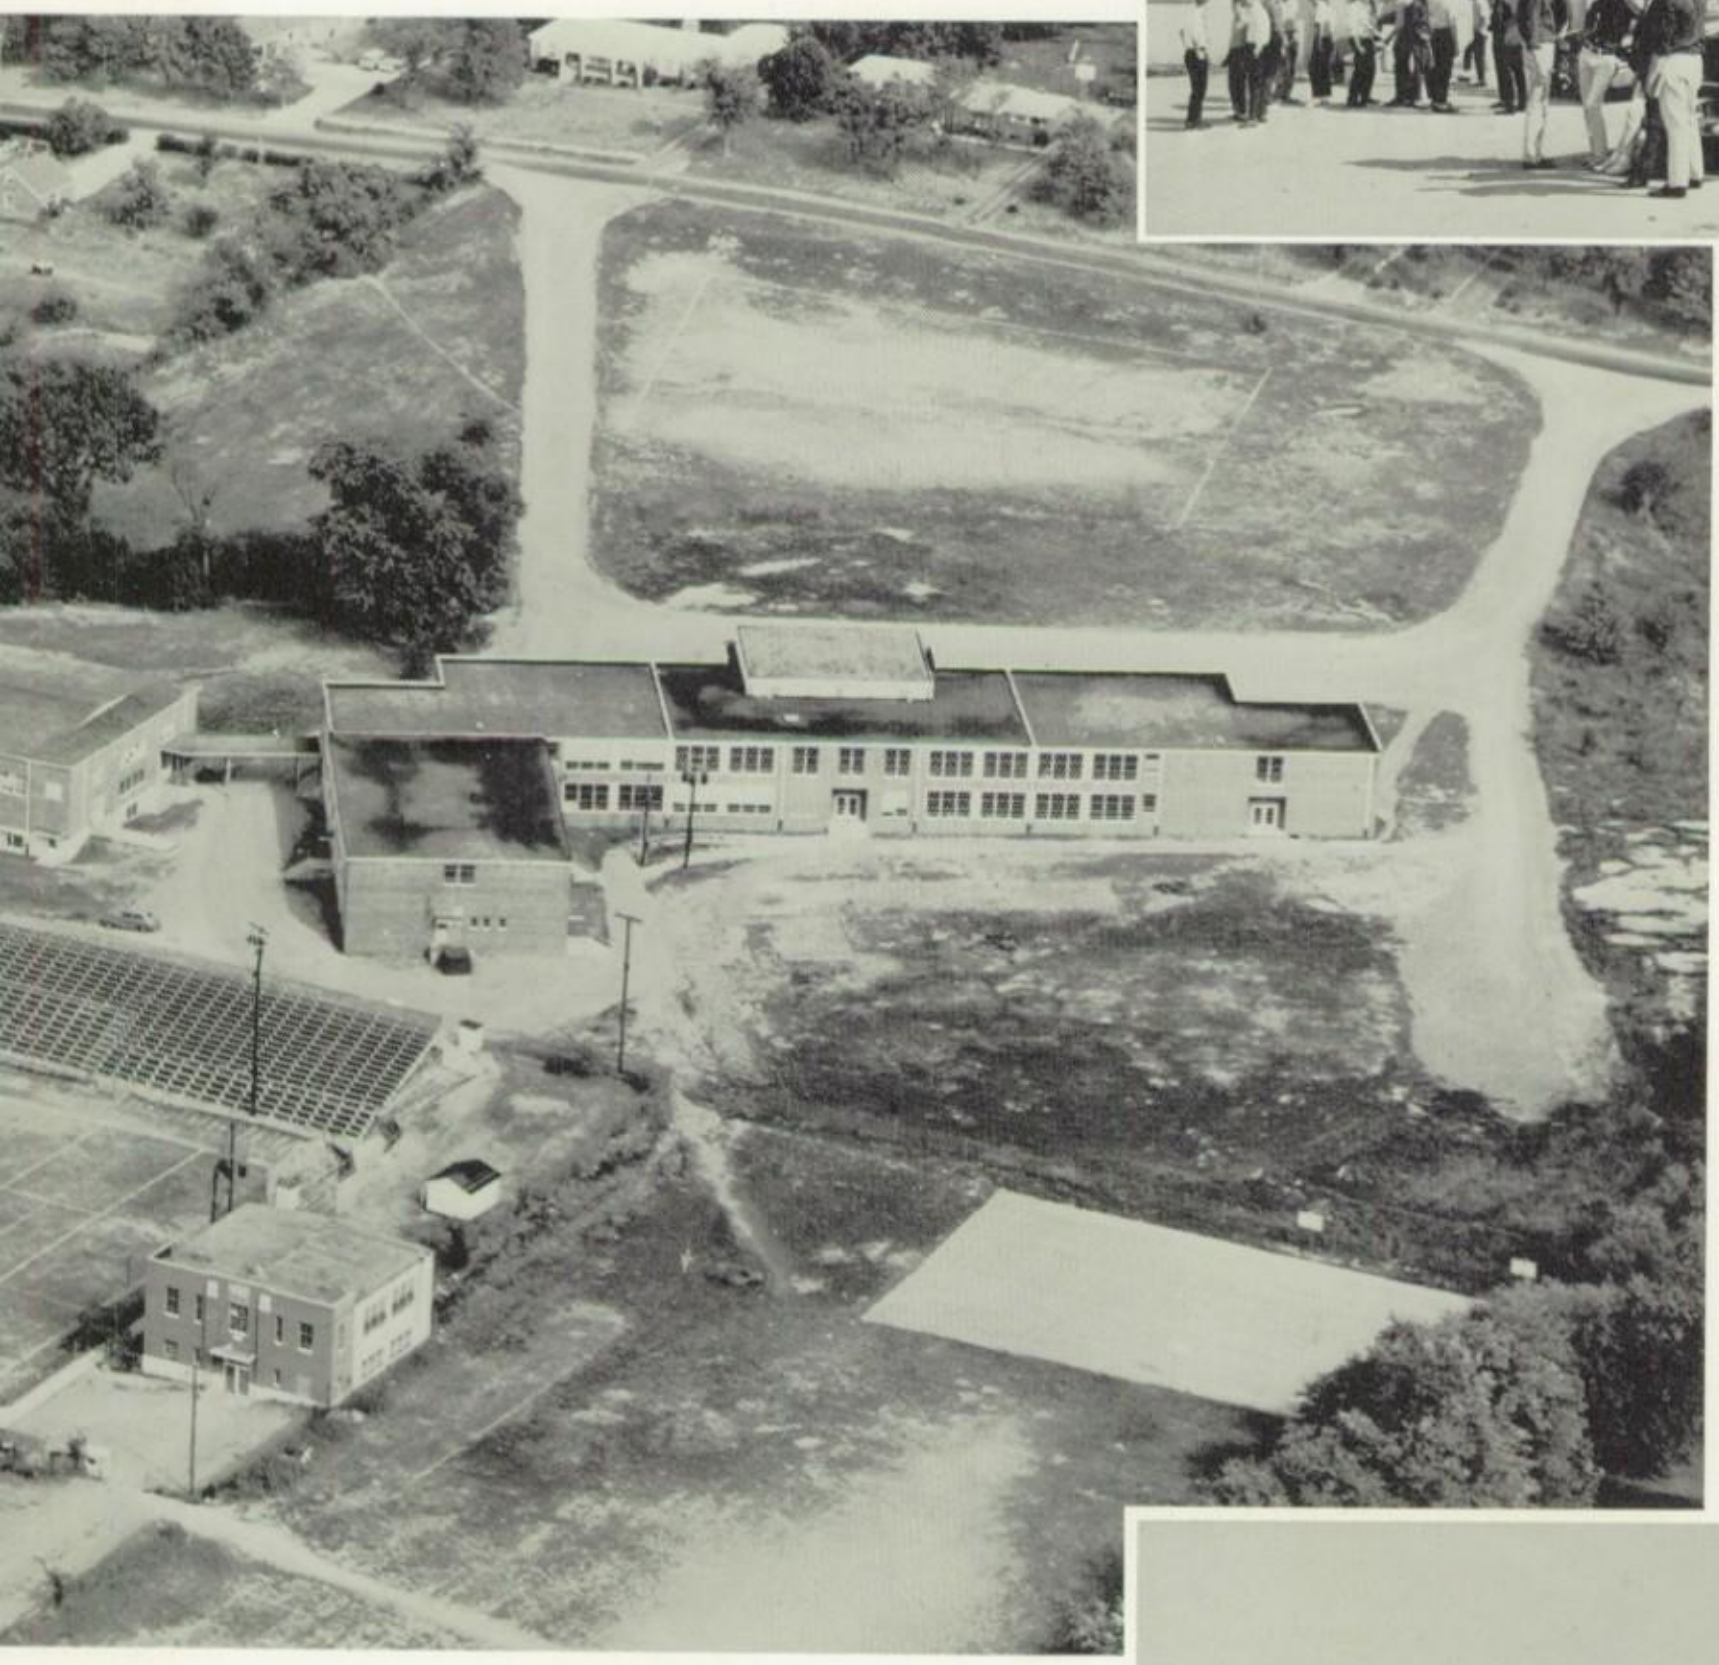
The gymnasium was built in 1939 as part of Franklin D. Roosevelt's program to improve the economy of the United States.



North Addition added in 1942 and 1948 added 12 classrooms and more locker space.

VIEWS

The Kenneth Duke Memorial Building built in 1952 was dedicated to Kenneth Duke, one of Litton's greatest football players, who was killed in the Korean War.



Junior High building completed in 1954 adds a modern touch to the campus.

DEDICATION

Large in number, great in ability, big at heart—all are characteristics of the 1963-64 senior class. They are a great group of people who have captured a rich prize—the ability to work and be happy. They have done much; they have achieved great things; and they have left a lasting impression on their school.

Because of what they have done, because they are the largest class that will ever graduate from Litton, we dedicate to them the 1964 LITTONIAN, hoping that it will preserve for them the memories of six glorious years of their lives.

A graduate and Mr. Foster.

ISAAC LITTON . . .

Its people

Some were wise, and some were witty, and each had some certain distinction that set him apart from all the others.

Some were inspiring and some were disappointing, but they all made up the best classes in the land.

Its places

Some were reserved for fun, and some were places of study, and all were witnesses of unforgettable times. Most seemed a little run-down from the strain of the times, but all made up the best school in the land.

Its activities

Some brought glory, and some were known only to few, and all were so numerous that there were few idle moments.

Some were new, and most were traditional, and all went by so quickly but will be remembered so long.

Its memories

Some are pleasant, and some are sorrowful, and all have a special place in everyone's heart.

Some will be forgotten, and some will last forever, and none can be exchanged for silver or gold.

JUNIOR CLASS

Becoming a junior puts one into the realm of the "busy year." It seems as though one year is too short for the many things to plan, learn, and do in the junior year.

In this year students begin to play a major role in the function of the school. They take on more responsibility and acquire new positions of leadership. Juniors must somehow find time for an ever growing number of activities, find time for studies, and at the same time make preparations for that all important night—the prom.

Perhaps more is learned in the junior year than in any other year. It goes by all too fast but leaves lasting impressions.

SOPHOMORE CLASS

The sophomore year may be termed the "new year." Sophomores must become acquainted with many new customs and procedures. They must make a good foundation for their life in the senior high—this alone makes it an important year.

Sophomores take part in several outside activities, but the major part of the year is spent in plain old hard studying. Sophomores quickly learn to love the senior high and look forward to the years to come.

LITTONIAN STAFF
1964

"Let's make it different this year" was the cry heard from the members of the 1963-1964 LITTONIAN staff.

New ideas, vivid imagination, and good hard work were characteristics of the preparation of the LITTONIAN.

The staff, headed by Lynne Crosswy, Editor-in-Chief and Mr. Isham P. Byrom, Jr., sponsor, has strived to produce a superior yearbook. They have changed the annual in every way possible, trying to make it more interesting and enjoyable.

Their job is to make a yearbook that will portray the life at Litton for the present school year. They have done their best to fulfill this purpose.

BLAST STAFF
1964

The rushing to meet deadline, the noise of typewriters, the rustle of material for the paper are just a few things that happen during Mr. Byrom's fifth period journalism class.

The BLAST is published every three weeks by the journalism students. Much has been added to the paper this year such as a new section full of personal news.

Several journalism members attended the Tennessee High School Press Association Convention in Chattanooga. The BLAST won first place in the Columbia Press Association competition.

NATIONAL HONOR SOCIETY

The purpose of the Delta Tau Phi Chapter of the National Honor Society is to promote high ideals of character, scholarship, leadership, and service among the students.

The motto of this group, sponsored by Miss Frances Spurlock, is "I would rather have honor than honors."

Any junior or senior who has met the following requirements may be admitted: conspicuous achievement in the qualities stated above, a scholastic average of 2.7 for the three semesters preceding application, the approval of the faculty, and the acquisition of 20 quality credits.

Quality credits are earned through participation in school activities, which are classed into five groups. Each group is assigned from one to five credits. No more than 10 credits may be counted in any one field.

A spring banquet is given annually for the installation of new members.

New members were installed during an assembly in November and a tea was given in their honor. The faculty and parents were invited.

LITTON—13, FRANKLIN—0

On its first outing of the 1963 campaign, a fired up Litton team met Franklin at Hume Marshall Field. Early in the second period the Lion's captain, Jimmy Clift, crashed into the end zone from the 3-yard line. John Wright's attempt for the conversion was good, making the score 7 to 0 at halftime. In the fourth period Tommy Hoppes raced around right end for 25 yards and the final touchdown.

Hoppes led the offensive punch with 249 yards rushing, while co-captain Larry Luttrull led a defensive forewall that held the Rebels to only 25 yards.

LITTON—0, MADISON—13

Litton and Madison made history when they played in the first NIL game to be shown live on television. Madison led the first period, with its first drive ending as Wayne Phelps fell on a Ram fumble on Litton's five-yard line.

In the second period, Chuck Boyd scored from the one-yard line for Madison's first touchdown. The end of the first half found Litton knocking on Madison's goal line, but the Rams intercepted a Lion's pass in the end zone in the last play of the half to end the drive. Madison's fullback Ronnie Smith crashed through for eighteen yards and a 13-point lead in the remaining minutes of the game.

Wayne Phelps, Smoke Parker and Jimmy Smith help stop Rams on one yard line.

LITTON—14, SPRINGFIELD—28

On September 27 the determined Lions met the Springfield Yellow Jackets on Hume Marshall Field. The Big Blue scored first on a pass from quarterback Kenneth Burnette to end Randy Owen for an early seven point lead.

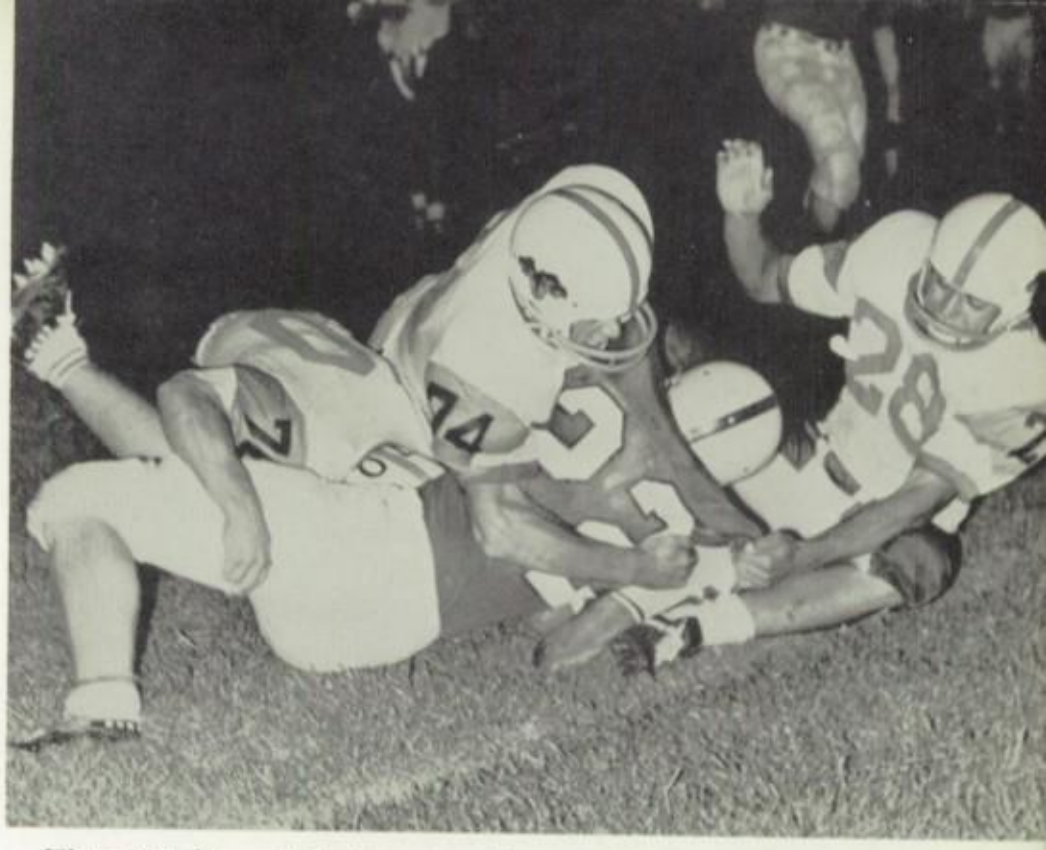
The Robertson Countians retaliated quickly by taking the next kick-off and marching to the four yard line from where their 210 pound fullback, Ronnie Bell, scored the touchdown. Bell tallied two more times for the second ranked team in the state. Springfield's other touchdown came on a 60-yard pass from Jimmy Myer to Bill McPhearson.

Randy Owen scored the other touchdown for the Lions on a halfback pass from Tommy Hoppes. John Wright kicked both of the extra points for Litton.

Randy Owen catches pass as two Springfield defenders look on.

LITTON—0, HILLSBORO—27

The Lions suffered their third straight loss of the season at the hands of Hillsboro. A big, spirited Burro team, led by All-City Doug Moulton, produced a deathly aerial attack that accounted for 206 yards and 13 points. Although outgaining the Burros on the ground 150 to 87 yards, the Lions, minus the running of halfback Tommy Hoppes, were unable to muster enough offense to score.



Three Madison defenders stop Tommy Hoppes after short gain.

Billy Owen, Larry Patterson and Jimmy Smith stop Ryan ball carrier during the only day game.

LITTON—7, DONELSON—12

The Blue and Red was unable to pull out of their slumps as Donelson got revenge for a 25 to 7 trouncing last year and beat Litton 12 to 7. This game proved crucial to the Lions as quarterback-halfback, Kenneth Burnette, received a severe back injury on the opening kick-off and was lost for the season.

W. A. Wright passed the Dons to a 12 point halftime lead hitting David Lloyd for touchdown passes covering 46 and 33 yards in the second period.

Late in the fourth quarter, reserve quarterback Billy Owen maneuvered the Big Blue to their only touchdown. Jimmy Clift, who ground out only 106 yards rushing, crashed into the end zone from the three yard line. The following kickoff put Donelson deep in their own territory, but they maintained control of the ball and ran the clock out.

LITTON—0, GLENCLIFF—0

Homecoming night found the boys in blue eager and ready to meet an undefeated Glencliff team. The Lions stole the show as they racked up 233 yards rushing compared to Glencliff's 132 but were unable to cross the goal line. Jimmy Clift led the Lion defense that saw several sustained drives stopped deep in Colt territory. Clift with 98 yards rushing was the offensive star and John Writht backed up a rugged Lion defense. John was chosen "Optimist Player of the Week" for his outstanding play. Coach Hewitt had praise for a number of boys for their spirit and determination.

Glencliff's Mike Bush runs into trouble as Lion's defensive team closes in.

Litton's Jimmy Clift is upset as he attempts to run around MBA's right end.

LITTON—12, RYAN—20

Litton and Ryan met on a Saturday to play their only day game. In the first half, Co-Captain Larry Luttrull blocked a second period Ryan punt and end Wesley Mitchell picked up the ball and scored. In the same period Jim Mondelli dropped a Randy Ingram punt and David Clayton recovered on Ryan's five yard line.

Moments later Randy Ingram hit Jay McDonald with a pass in the end zone to give the Lion's a 12-0 halftime lead. Ryan returned to the field with renewed strength as Jim Mondelli hit his brother Mike on a 34-yard pass which ended in a touchdown. The extra point cut the Lion's lead to 12-7. Moments after the ensuing kick-off that put the Lions deep in their own territory, Ryan was on Litton's 16 yard line. Jim Mondelli roared into the end zone on the next play. The score and extra point put Ryan ahead to stay, but Jim Mondelli scored again in the fading moments of the game.

LITTON—6, MBA—20

The Lions next ventured into MBA-land and left with a 20-6 defeat. The Big Blue was the victim of bad breaks all right. Maroon Man Ed Anderson scored first after attempting to punt, dropped the ball, and then recovered for a long run. Anderson scored again on a long pass and the Lions failed to bounce back. Litton's score came as Randy Ingram picked up a Big Red fumble and streaked seventy yards to pay dirt.

Litton's Jay McDonald catches touchdown pass as Ryan's Mike Mondelli looks on helplessly.

LITTON—20, EAST—13

The high-spirited East Eagles journeyed to Litton to meet the victory-starved Lions, on November 8.

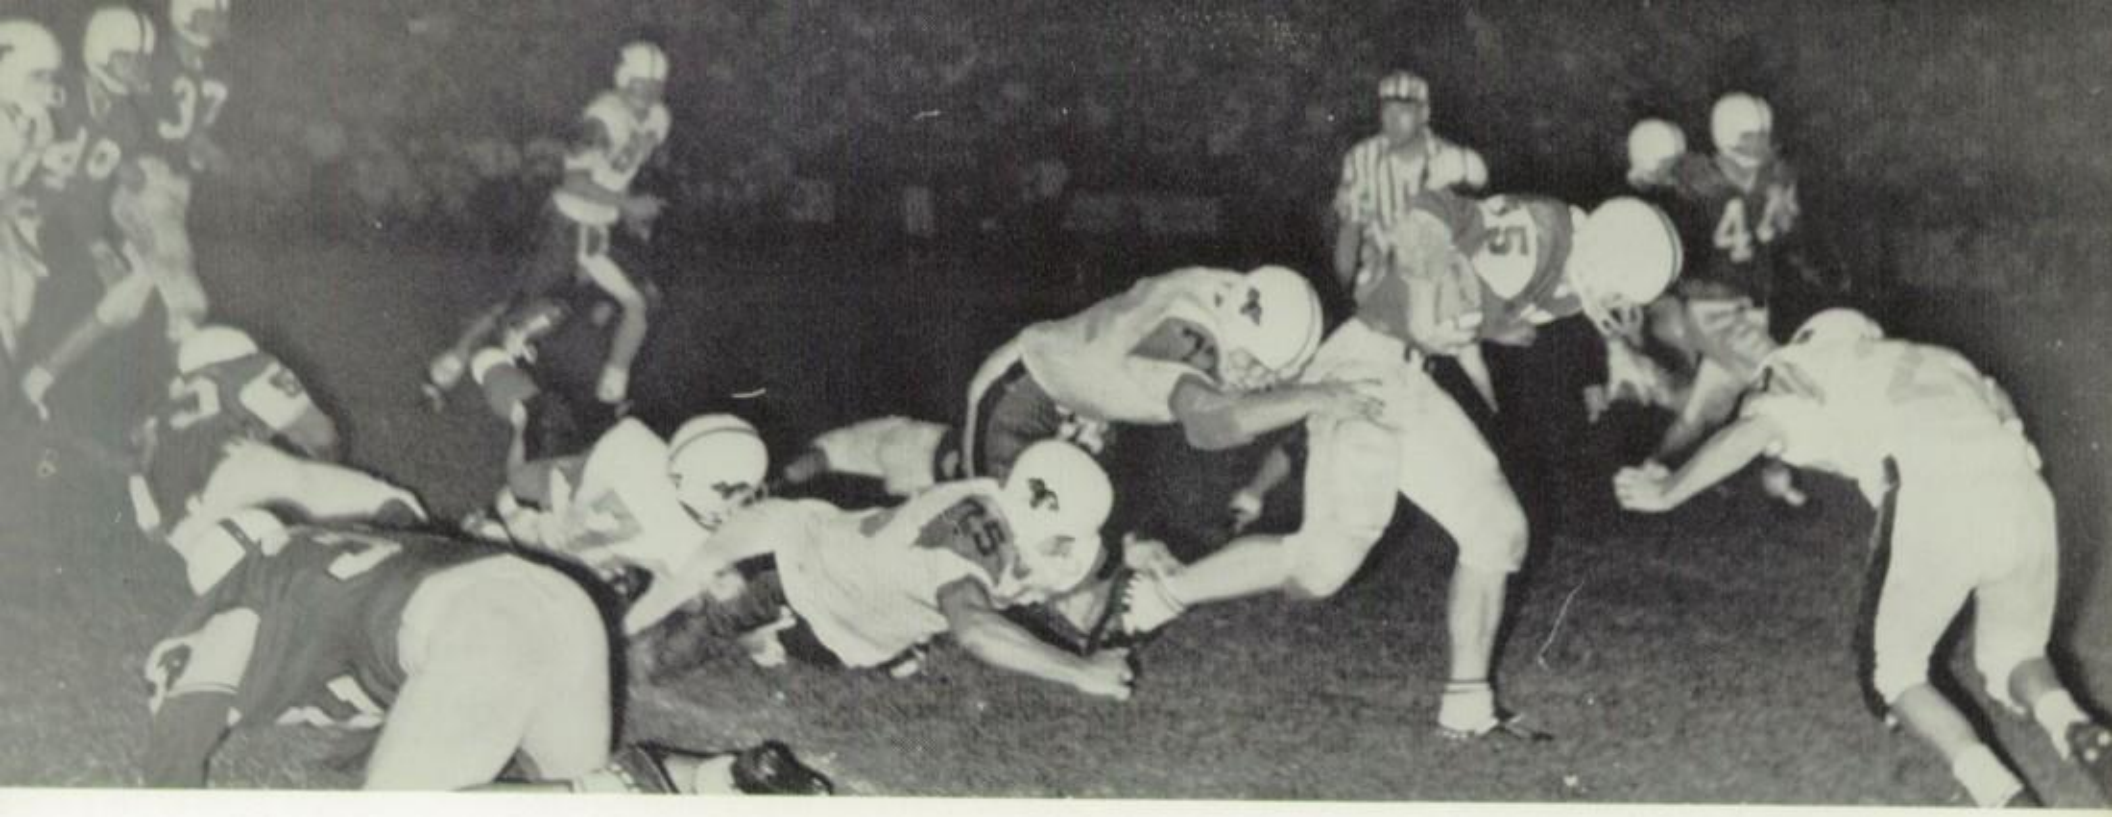
The Big Blue scored in the first and second quarters on short runs by Randy Ingram and John Wright. Ingram scored from the one, and John Wright plunged in from one after romping 40 yards to set up the score, giving Litton a 14 to 0 halftime lead.

East's offense was sparked by Vic and Vernon Overall who scored one touchdown a piece during the third period.

Ingram scored the final touchdown for the Big Blue by clashing into the end zone from the three yard line in the third period.

Litton piled up a total offense of 248 yards to East's 138.

Larry Luttrull blocks punt as Wayne Phelps looks on and Wesley Mitchell recovers to score.



Litton's Jimmy Clift bowls over Madison defenders in first televised game in NIL history.

BASEBALL FOR '64

One of the most popular spring sports is baseball. The team, coached by Charles Care, is looking forward to a fine season.

This year's mound duties will be handled by Steve Parker and Larry Griggs. Other returning lettermen include Kenneth Burnette, captain and first baseman; Tommy Hoppes, third baseman; Randy Ingram, second baseman; John Wright, outfielder; Ronny Pettus, shortstop; Wynn Sircy, outfielder; Larry Luttrull, catcher; Thomas Edgin, outfield; and Jimmy Andrews, second baseman.

This squad of such talent and experience should bring Litton another fine baseball season.

GOLF TEAM

Golf has become one of the most popular spring sports at Litton. Returning to the golf team, that placed second in their division, are Jimmy Smith, Ronnie Newson, John Kimbrough, and Phil Kelley. The only other member of the team is senior Bobby Jarrett.

William Gibson, sponsor of the golf team, is looking forward to an even better record than the 6-1-1 record of last year.

TENNIS TEAMS

Sparked by returnees Linda Warren, Linda Pearl, and Carol Galloway, the girls' tennis team should have another great season. Last year the squad romped through a 4-3 season and into the N.I.L. tournament. This year's team is coached by Mrs. Mai Thompson.

The year 1964 was the rebuilding for the tennis team. Every player on last year's second place team in the Eastern Division was graduated, leaving a tough job for new tennis coach Wayne Forehand.

The inexperienced squad began practice early in March in the Junior High before the regular tennis courts were open. The hard work gave hope of a good season.

These girls, sponsored by Miss Ruby Bateman, were in charge of the pep meetings from week to week. In addition to the painting of signs and practicing after school, the cheerleaders enjoyed close association. One of the many activities of the cheerleaders was to attend Cheerleading Camp in Cookeville.

SEVENTH GRADE

The seventh grade class marks the beginning of junior high school. How eagerly they awaited the first day of school when they were no longer classified as "grammar school kids." This step in growing up opened a new world of learning along with colorful activities of high school.

CHORUS

The purpose of the chorus is to stimulate interest in vocal training. This year the biggest opportunity for the members of the chorus was their singing in the Junior High Choral Festival. They also took part in the spring concert at Litton. This group of students sings under the direction of Mr. Pearson.

CHEERLEADERS

"All for Litton High, stand up and holler!" is just one of the many cheers the Junior High cheerleaders use to raise school spirit during pep meetings on game days.

They help promote the school spirit among the students and help the Junior High teams on their road to victory.

The cheerleaders must possess certain characteristics: ability to lead, personality, character, and scholarship. These qualities are needed so that the girls may represent their school to the fullest extent.

SUMMARY

Litton's "Baby Lions" produced another winning season thanks to a rugged defense and a crushing offense led by all county selections Terry Heald and Wilburn Bates.

The Lion defense, bolstered by a pair of tough tackles in Wilburn Bates and Eddie Smith who held opponents to six touchdowns for the season, while the offense, paced by Jerry Clift, Stuart Byrom, and twins Harold and Herbert Patterson, produced a total of seventeen touchdowns.

Highlights of the season came in a narrow loss to previously unbeaten, unscored-on Greenwood and a thorough victory over previously unbeaten East.

DAVIDSON COUNTY CHAMPS

Sparked by a fine offense and defense the Lady Kittens, Coached by Ed Garrett, romped through a 6-2 season and swept the county tournament.

Leading scorers were Martha Burgett with 164 and Anita Lamberth with 146. Carol Hall was chosen on the Coaches All-County team and Lynne Van Deren and Martha Burgett were chosen on the All-Tournament team.

The guards were outstanding on defense all year. Once they held a team to a single field goal and another team to only one. Stratford's high scoring Diane Lish scored only 2 points against the team in the championship game.

The team made a terrific comeback after finishing 3rd in their division. The girls turned back Maplewood in the semi-finals, 30-25, avenging a first game 10 point defeat and in the finals they avenged their other loss, a one point decision, as Martha Burgett's last second basket beat Stratford 29-28 for the championship of Davidson County.

The sponsor, Miss Goodwin, assists the students in reporting various junior high activities. The articles are written, proofread, and then sent to the senior high for publication.

These students are receiving experience that will enable them to be better reporters.

JUNIOR HIGH RED CROSS

During the past year, the Junior Red Cross has worked on various projects in order to help other people. This group, sponsored by Mr. Harry Caldwell, is composed of representatives from each homeroom.

STUDENT COUNCIL

This year the Junior High Student Council is led by Chris McDonald, president, and Linda Williams, secretary. The organization is sponsored by Miss Betty Hadley.

During the school year the Student Council sponsors dances, assembly programs, and other worthwhile projects.

HOMECOMING

As always, the half-time ceremony at the homecoming game will long be remembered by Isaac Litton students and especially by the girls in the court.

Driven by their escorts, in shining convertibles, the five lovely girls arrived on the football field. The band played "Sweetheart" as the queen and her court walked through the arch made by the majorettes. The ceremony was climaxed by the drum major as he bestowed the traditional "crown and kiss" on the queen.

SENIOR

Anything there was to do the seniors did it. They laughed, they yelled, and maybe once or twice they were serious. The teachers withstood it all only wishing there was time for rest. Luckily there was!

ACTIVITIES

Only a part of the activities were simply for enjoyment or relaxation, for some were purely business, work, or everyday events. But the seniors had an ability to turn everything into something enjoyable, and every now and then they were awarded for what they had done.

THIS WAS THE YEAR THAT WAS

Now where do we begin—
A great year this has been!
This was the year that was:

Our Forensic Club was ranked sixth in the nation.
To Birmingham and Miami went our delegation.
"Winter Magic" at Brentwood was a big sensation.
College night helped solve each future occupation.
This was the year that was.

The "100+" flew west to Califor-ni-a
To march in the Rose Parade on New Year's Day.
Student Council members were proud that they
Had published a student directory without delay.
This was the year that was.

Football season highlighted the fall.
Homecoming game was the best of them all!
Litton girls sparkled at basketball,
Winning their games with no trouble at all.
This was the year that was.

College Board tests determined our fate,
Closed the door or opened the gate.
Gone the past, a future date,
Cap and gown for each await.
This was the year that was.

As we approach the end,
Let us look beyond the bend
This was year that was.
